## Summary

Our team leverages my expertise in Agile Project Management and Scrum leadership to drive the success of our project. With dual Bachelor's degrees in Business English and Intercultural Studies and Master Information Technologies - HCMC, I thrive in multicultural environments, ensuring seamless communication and collaboration across diverse teams.

Certified as a Professional Scrum Master II and Software Project Manager, I foster a culture of continuous improvement and strategic agility. My commitment to excellence is evidenced by effectively balancing project planning, execution, and stakeholder management to meet challenging timelines and deliver value.
